

# **“O Come Let Us Adore Him”**

My Dear Friend:

It may be hard to believe but this year is almost over. What a blessing it is, then, to know that in spite of often being too busy or misplacing priorities we've still been kept for the past twelve months by the One who is never too busy to take care of us.

This month, we observe the birth of God's Son, Jesus Christ. “Joy to the World the Lord is Come...” You are invited to give thanks to God, for His Son by attending service this Sunday, December 22<sup>nd</sup>, at 11:00 a.m. or on Christmas Eve, Tuesday, December 24<sup>th</sup>, at 7:00 p.m. **Is it too much to ask that we—whether as a young person or as an adult—thank God publicly during these final days of 2024?**

You are receiving this correspondence because life and time are so precious. Without making time for God, we truly run the risk of missing out on the meaning of this glorious season: “For God so loved (you) that God gave His only begotten Son that whosoever believeth on Him may not perish but have eternal life.” (John 3:16)
